

Stan Jones Biography

Stan Jones was born in Alaska and has lived here most of his life. He worked as a newspaper and public radio journalist, and as an environmental advocate for a citizens' group set up to prevent more oil spills like the *Exxon Valdez*. He is the author of the Alaska-based Nathan Active mysteries, and the Palm Springs-based Dana Forsythe mysteries, and co-author of a non-fiction book on the Exxon Valdez spill. He lives in Spenard with his wife, Susan Jones, and is an amateur standup comedian.
