

## **Keenan Powell**

Keenan Powell is the Lefty and Agatha nominated author of the Maeve Malloy series. Although she was one of original Dungeons and Dragons illustrators, art seemed an impractical pursuit— not an heiress, wouldn't marry well, hated teaching—so she went to law school. The day after graduation, she moved to Alaska where she has vowed to practice until she gets it right. She is delighted that her latest book, *Implied Consent, A Maureen Gould Legal Thriller*, averaged 5-star reviews on Netgalley, and received a Booklife Editor's Pick Review and an Ippy Gold Medal.
