

Alaskan Readers are the Coolest

Why do Alaskan readers look forward to the long, dark winter? Solve the puzzle to find out.

Galena: Start in a corner. No, I'm not telling you which one! Write every third letter on the spaces until you use them all. If you do it right, you'll discover the true answer to the question.

G	H	I	O	I	L	O	N	L
H	<p>Zippy: Which corner should we start with?</p> 							D
T								G
A								I
C								B
O								B
H								N
S								O
N	T	T	K	I	A	O	W	E

Skilak: You take the G. I'll take the E.

Nelchina: The answer is hidden on the Alaska Book Week web page.
